TRADITION PROPERTY OWNER'S COVENANTS COMMITTEE

PARADISE LOST?

By Bill & Jeanette Renault

Your Covenants Committee is doing our best to advise residents who are not adhering to the guidelines agreed to at house purchase time.

Unkempt lawns are by far the majority of complaints we receive, and we cannot stress strongly enough the importance this problem has become. Our property values are not going to remain high if this continues. Prospective buyers are quickly turned off by lawns not mowed, watered, fertilized or edged with runaway hedges, weeds, etc.

Our community is no longer new and shiny, and in some cases, we regret to say, is taking on a seedy appearance. Each of our homes is only as beautiful and valuable as our neighbor's. Lack of upkeep ruins the value and pleasing appearance of the surrounding homes.

Please keep in mind that we are volunteers and have all our best interests at heart in attempting to help residents adhere to our agreed upon covenants. It is a frustrating experience to witness some of the violations in our neighborhood. In many cases we advise of a violation, find it corrected - only to discover that the correction is only temporary.

It's surprising and disappointing to get a complaint concerning a resident owner's property, but the majority of complaints are with the 20% renter/absentee owner homes. (An exception is when the owner has arranged for regular lawn service.)

Other complaints of note: rust from wells (info on web site), cats allowed off owner's property, commercial trucks and cars parked overnight, and a growing colony of statuary.

The covenants are on the community web site. We urge you to become informed about your community standards. Log on to: <http://www.qualitykid.com/index.htm>

Chairman's Corner *By Ron Belbutowski*

As the summer rolls onward, I hope that all Tradition Club residents are enjoying what thus far has been a pleasant season. We have had enough rain to minimize the amount of irrigation needed. I notice with satisfaction that many of our residents have been enjoying our community pool amenity and the beach. We also are fortunate to have pleasant venues nearby, including summer evenings at Brookgreen Gardens. I also urge our residents to support the Pawleys Island Arts and Music Festival events which begin the end of August and continue during September. I also hope that you will support and participate in our social events, which during the fall will include bingo at our clubhouse, a par three golf event, and an oyster roast at the Hot Fish Club in Murrells Inlet.

I hope all of our residents will continue to cooperate in keeping our neighborhood an attractive area. Make sure you read the article by our Covenants Committee and give some thought to what you can do to make their role easier by following the rules and regulations which we have. Keep in mind that the objective is to maintain our property values based on having an overall pleasant appearance of our area. Also, along the same line of thought, be sure that you obtain the approval of our Architectural Review Board for any changes to the exterior of your property, as required by the Declaration, rules and regulations. This includes additions to the house, modification of porches, sidewalks and or driveways, and significant changes to landscapes. The Covenants Committee and the Architectural Review Board meet monthly at 7:00 PM on the 2nd and 3rd Tuesdays respectively.

Some of our homes are now approaching eight years old. Look closely and you see signs of aging. Fortunately there are a great number of service businesses available to help us maintain our property. These include lawn and landscape contractors, tree removal and trimming contractors, roof mold removal contractors, and pressure wash contractors, to name a few. Ask your neighbors for a reference if you don't have a favorite contractor of your own. Please, for the sake of your own property and for the sake of our community as a whole, take care of your roof and exterior mold and dirt buildup, and also your dead trees which require removal and/or partially dead trees which require trimming. (Remember to get ARB approval for tree removal first.) If you are renting your home, and there are many who are, it is your responsibility to be aware of and follow our community rules and regulations. If there is deterioration of any aspect of the property, including roof mold, a dirty exterior, or landscaping that needs help, I believe it is your civic responsibility to make the home owner aware of the need for repair, maintenance or restoration.

We are at the point in the history of The Tradition that some of our most stalwart volunteers are "burned out" and deserve to be replaced by fresh faces. These needs include Buildings & Grounds volunteers, Covenants Committee members, and ARB members. We need someone who is computer savvy to take over as editor of our quarterly newsletter, a task which Vince and Dot Franco have done very capably for some time now. We also need volunteers to take responsibility for social activities—such as outings and the annual community garage sale. In general, we applaud neighbors who care enough to pick up some stray paper or cans when they see such things around the community. To dare to become an active member of our community, contact any of your Board of Directors to volunteer your services. We'll get you in touch with the proper people

The Tradition Architectural Review Board *By Danny Phillips*

The ARB continues the cycle of trying to perform the duties assigned. We must ask the cooperation of the community. Please call if you plan on any change to the outside of you property. It is one small call but will save much in the long run. Also much appreciated if you will call if you are not sure about any changes you happen to see in the community. Thanks for your cooperation.

HOME MAINTENANCE SUGGESTIONS

Recently the homeowners association had the roof of the clubhouse cleaned because of the buildup of mold on the surfaces. The improvement is obvious. Removal of the mold discoloration also will help lengthen the life of the roof on your house. Mr. Mildew, a.k.a. Brian Leatherman of 287 Emerson Loop, Pawleys Island (phone 237 3146) did the work.

Trees which have major dead branches at the top, or which are completely dead, are a hazard to homes when windstorms occur. The dead wood becomes increasingly brittle. Falling branches can easily pierce your roof or damage siding and windows. There are many local firms available to do trimming and removal.

The covenants committee members will be looking to advise residents who have these tree problems, and your board believes action needs to be taken to remove these hazards.

If you have hedges or bushes that are "getting away" from you, be assured that your neighbors will appreciate the trim job you give to the out of control greenery. Also be sure to weed around the bushes and mulch with pine straw or wood chips. If you can't do it yourself there are a number of service providers who would be happy to do the job pretty darn economically.

Friday Night Bridge News *By Danny Phillips*

Friday Night Bridge continues to be a delightful evening of fun. So if you have an interest in bridge and enjoy the company of card playing folks, this could be for you. We meet on the **last Friday of the month** at the Pool Clubhouse at 7:00 p.m. Bring a little snack and something to drink if you wish. Very congenial players welcome all for an evening of fun.

Tradition Community Mixed Golf Tour

The fundamental purpose of forming the TCMGT was to provide a Friday afternoon of golf that would appeal to a large and diverse group of Tradition residents and their family members and guests. Matches are scheduled on the second and fourth Friday of each month. The format will provide for some fun as well as a social outing. Some may choose to extend their fellowship over dinner at a local eatery.

Our next match will be at Heritage on August 8th followed by a round at Pawleys Plantation on August 22nd.

We invite you to come out and join us for some Friday fun. Contact Tom Bowen, Marion Culpepper, Elliott Dodson or Frank Walsh. Visit our web site http://qualitykid.com/golf_tour.htm

Meet Your Neighbors *By Joan Murren*

Barbara and Norm Nuding

Deacon Drive residents Norm Nuding, an ordained minister, and his wife Barbara, have had a wonderful life of travel and missionary work.

Norm is a World War II veteran. He traveled throughout New Guinea, Leyte, and Manila with General McArthur, working in cryptography, prior to arriving in Japan. He had heard much propaganda about the Japanese people, but to his surprise found them caring, sensitive, and intelligent.

After the war, Norm graduated from Wittenberg University, then attended the seminary to prepare for the Lutheran ministry. At the same time, Barbara was studying at Miami University. In the second year of the seminary, Norm attended a lecture about Japan given by an African missionary. Norm felt called to missionary work in Japan, but deep down hoped Barbara would not be interested. Instead, she was enthusiastic about the prospect. They were sent to Yale University for a summer of Japanese studies; then Barbara taught for a year prior to their move to the Orient in 1951.

In Japan, Norm was assigned to help develop the new Lutheran Tokyo Student Center for University students. There the Nudings helped form a congregation of baptized Christian students who became the nucleus of a group that remains active today. This congregation celebrated its fiftieth anniversary last fall. All previous ministers, including the Nudings, participated in the celebration in Japan. One of the highlights of the festivities was Norm delivering a sermon in Japanese!

It was expected that the Nudings would spend the remainder of their lives in Japan, returning to the states for a one year period following each five year period overseas. However, after 16 years Norm was called back to Lutheran headquarters in New York City where he served as a Personnel Director and Secretary for Europe in the Overseas Division. In the latter position he traveled to many interesting cities, including Moscow, Warsaw, Helsinki and Berlin. He stayed in this position for 20 years. The re-entry into American culture was the most traumatic experience of Barbara's life. She had never shopped at a supermarket, or used a credit card, and felt total isolation. They were both shocked at the racial unrest and the drug problems in the U.S. Norm eventually initiated a re-entry program for missionary adults and children who returned from overseas experiences.

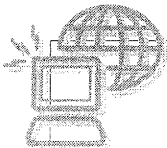

After returning to the United States with four sons in tow, the Nudings settled in Princeton, NJ where earlier Norm had earned his Masters Degree in Systematic Theology. Barbara completed her Bachelor's degree at Trenton State College and her Master of Arts in Educational Administration from Rider College. She taught in various schools and was invited by the University of Quebec to teach mathematics methods to Cree Indian teachers. Barbara was appointed to represent the State of New Jersey at a metric education conference that led to her appointment as Mathematics Consultant in the NJ Dept. of Education. She was appointed to a US Dept. of Education committee on national testing and implementing Mathematics Standards for the United States.

One of Barbara's most prized possessions is her cello. It has traveled with her all over the world, has been broken in transport, and successfully refurbished. Her cello sits proudly in her home today.

At the request of his children, Norm recounted his life experiences on 17 CDs. This project took him two years. Barbara is currently Chairman of the Volunteer Board of Directors of the Georgetown Chapter of the American Red Cross.

The Nudings life experiences and accomplishments are many and varied, but their proudest accomplishments are their four sons, all of whom are college graduates and very successful in their chosen fields. After living all over the world, they are happy to call Pawleys Island their home.

Jef Sturm is teaching a course in Painting Basics at the Litchfield Exchange starting on Thursday July 10th.

The course is designed to help the experienced and not-so-experienced to get "back to the basics" of oil and acrylic painting with an emphasis on design and drawing. Jef is also exhibiting again in the Art Works Gallery located in the Litchfield Exchange.

Crafters

Join the Goose Feather Tree Crafting class forming this fall on September 19 and 26 and October 3 at 10:00 a.m. at the Pool Club House.

The class will offer you the opportunity to make a 25" goose feather Christmas tree. These trees are reproductions of trees made during the Victorian era. Merry Cotton will instruct this class. Merry has been on HGTV's Carol Duval Show with her trees and has been included in HGTV's magazine as well as Better Homes and Gardens and several newspapers including the Cleveland Plain Dealer this past fall.

The necessary components to complete the tree are offered in a kit that will be available from her. The cost is \$35.00 and the trees are available in dark green, light green, white, and rose. For those already signed up. Merry will contact you later this summer so you can select the color of your choice. For others interested in signing up and for any further info, call her at 235-6862.

Tradition Gold Tee Nine-Hole Association

This group is composed of a great bunch of guys who play golf on Wednesdays. Our primary purpose is to have fun, enjoy good fellowship and improve our golfing skills. Players of all handicaps are welcome. Contact Bill Huish at 237-5631 if you are interested in joining us.

Our Gold Tees First Annual Member/Spouse/Partner Tournament was held on July 16th. It was a fun day with 52 couples participating. A Captain's Choice format was used and many prizes were awarded. Skippy and Vinnie Esposito, Peggy Spangler and Dick Albright came in first on one side while Nori and Bob Thompson, and Mary Jane and Jim Conway won the other. A delicious cook out of ribs and chicken was served up after golf by the Tradition staff. A wonderful day was enjoyed by all.

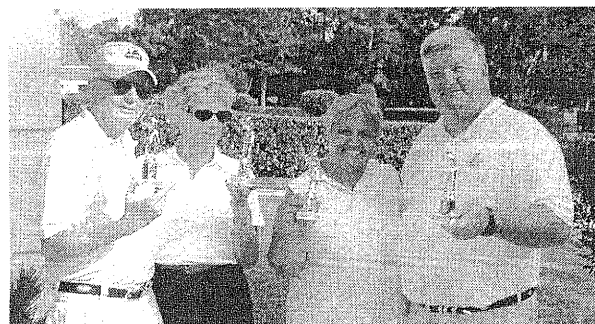

The Second Annual Gold Tee Tournament

We are planning our annual members championship tournament in September. There will be golf, prizes and a cookout.

We look forward to the pleasure of your company.

The new officers are Valerie Cole, President; Norma Wolfe, Vice President; Barbara Dymond, Secretary; Loretta Espey, Treasurer; Joyce Baird, Member-at-large. Committee chairs are Historian/Photographers, Jeanette Renault and Patty Mitchell; Membership, Theresa Mishik; Programs, Nori Thompson and Amy Monaghan; Projects, Skippy Esposito and Claire Walsh; Social, Pat Bowen, Phyllis Confer, and Mary Ann MacDonald; Sunshine, Caye Branca; and Ways and Means, Suzie Albright. These ladies are very enthusiastic and we look forward to an exciting year.

Tradition Golf Club

By Robert Spangler

Hello Members & Neighbors,

The summer is here and it is hot, hot, hot. It may be tough on us but the grass loves it. I really appreciate everyone being so patient through our very difficult transition. Things are looking good and we are on the right track.

I know most of you may have heard we have a new superintendent. His name is Clay DuBose. Clay comes to us from Diamond Back where he did the grow in and has been their only superintendent. Before that he was the assistant at Prestwick for four years. Clay is married with one child and a single digit handicap. So introduce yourselves to Clay and invite him for a round of golf. Also, I must commend Sammie Grier our assistant Superintendent on the job he has done to keep the crew going and get the course going in the right direction. Good job Sammie. Keep your eye on the board in the member room for all the upcoming events; August is busy with tournaments and functions.

Please come see me about our trip to N.C. on 9/12 and 9/13. The cost is \$149 p/p that includes 2 rounds with cart, 2 lunches, 1 night lodging, and a dinner. This is at River Landing Golf Club and it is N.C. #1 coastal golf course and it is top 10 in the state. If this trip goes well we will do more of these.

Happy golfing.

Golf Tip

by Steve Dresser

PGA Professional Director
Tradition Golf School

Here's the "Tip of the Month"

A proper back swing weight shift is essential yet difficult to do properly. It's not so much a shift as it is a turn. To turn effectively, keep your lower body quiet (think "stand on ice") and allow your upper body to coil against the resistance of the lower body. You may feel as if you've shortened your back swing but in actuality you will be creating a more powerful, compact turn. Remember, keep the lower body quiet on the back swing.

TRADITION LADIES GOLF ASSOCIATION By Betty Ruff

Since the end of April, the TLGA has been very active. We have had three very successful tournaments, the first being the Member/Guest on may 14, followed by the Member/Member on June 3, the Friends of Santa Tournament on June 21 and the two-day match play with Pawleys Plantation. on July 1 and 2.

Member /Guest - chaired by Connie Hazard and Jane Thomas

- 1st low gross: Pat D'Amato and Marge Miller
- 2nd low gross: Joan Sheldon and Gerri Emanuele
- 1st low net: Donna Culver and Eileen Austin
- 2nd low net: Betty Ruff and Katy Hoyns
- 3rd low net: Rachel Coletti and Ann Latsch
- 4th low net: Margaret Collis and Virginia Bentley

Member/Member - chaired by Bev Brown and Duane Barksdale

- 1st low gross: Joan Sheldon and Betty Ruff
- 2nd low gross: Debbie Massie and Margaret Collis
- 1st low net: Sandy Blais and Nancie Gaffney
- 2nd low net : Connie Hazard and Jane Thomas
- 3rd low net: Bobbie Fleiss and Mary Graef
- 4th low net: Dottie Kelly and Fay Donovan

Friends of Santa - chaired by Sandy Blais

We had over 155 players participate in a captains choice/shot gun start game. Over \$7800 was raised for this worthy charity. First low net went to the foursome of Joan & Ed Sheldon and Dot & Tom Ellison.

Pawleys Plantation /Tradition Match Play - chaired by Donna Culver

On the first day sixteen ladies representing Tradition paired up against sixteen ladies from Pawleys at the Tradition Golf course. After one day Tradition was ahead 11/5, however; after the second day of singles at Pawleys Plantation, Pawleys won the overall event 17/15. But the bottom line was, we had a great time and ended the two day event with a wonderful lunch at Pawleys.

Blue Tee Play

All Tradition Ladies Golf Association members who qualified were given the opportunity to participate in a trial period playing from the blue tees. After a successful trial, the league voted to continue with the blue tee play for those eligible until the end of the year.

WILLBROOK ROAD MAINTENANCE DISTRICT *by Dick Albright*

The "final" inspection by Georgetown County prior to assuming maintenance responsibility for the road surfaces took place in mid June. As a result, several discrepancies were noted which must be corrected before transfer can occur. St. Paul's Place in front of the fire station requires some fill and drain cover work. Just past St Paul's Place on Willbrook Blvd., additional fill and paving material is required. Also, a hole has developed on Willbrook Blvd just west of the new middle school road. This was caused by an irrigation pipe leak and must be filled and paved over. On King's River Rd in the vicinity of Monarch Court, some ditch work is needed to eliminate storm water problems. A contract has been let and work should begin in the near future. The "final" inspection will follow the completion of the latest discrepancy work. Survey work is also in progress to clearly define the road right of way and property lines.

Gourmet Diners

The *Gourmet Diners Club* is getting ready for their second year of trying new foods and having a wonderful time with friends and neighbors. Our first dinner for this year will be on September 24.

Our dinners are every other month on the second Wednesday. Everyone is welcome to join. Singles are welcome. If you have any interest in joining such a group, contact Dot Franco, 237-9190.

Indigo Choral Society

The *Indigo Choral Society* performs concerts during the year, such as a Spring Concert, a Christmas Concert at All Saints here in Pawleys, and the 4th of July concert on the lawn of the Kaminski House in Georgetown.

Rehearsals begin after Labor Day for anyone who is interested in joining the group. Practice is at the First Baptist Church in Georgetown. For more info call Patty Mitchell at 237-5276.

Ladies Nine Hole Golf League

The League plays every Tuesday. The sign up sheet is on the Bulletin Board at the Golf Clubhouse in the members' room.

Scrapbooking

Wouldn't you just love to get all those wonderful pictures organized that you have stashed away in a box?

Come to one of our cropping sessions and see how it's done. Our meetings are on the third Thursday of every month at 10:00 to 2:00. Bring a lunch. If you have any questions, call Patty Mitchell at 237-5276.

Needleworkers

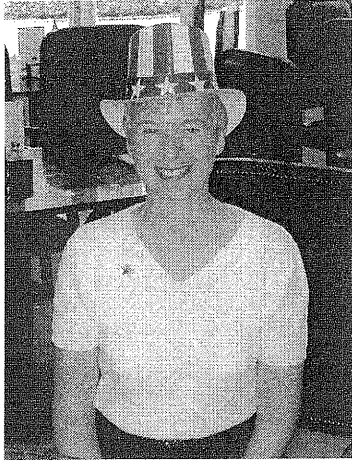

The needlework group meets every Friday morning from 10 am to 12 noon at the Pool Club House. Beginners are welcome—we'll help you get started. Or if you would like to complete that work you never finished and put away in the drawer or closet years ago; whether it's crocheting, cross-stitching, crewel, embroidery, needlepoint, or even mending, please come and meet our group on Friday mornings. Call Loretta Espey (235-3518) or Dot Franco (237-9190) if you have any questions.

Board Meeting Minutes

The Board Meeting Report is in a ring binder at the Pool House Men's and Ladies' restroom bookracks. Anyone interested in reviewing the minutes can find them there.
